Sub: Application for Canada student visa

Respected Sir/Madam,

I am NAME, an Indian student aspiring to improve my career in the global environment. I have applied to UNIVERSITY NAME and have been accepted to pursue the DEGREE AND COURSE NAME. I hereby provide my statement of purpose for Canada student visa application.

## **My Personal background**

I am situated in PLACE with my family. My father is a DESIGNATION working in the ORGANISATION NAME and my mother is a HOMEMAKER. I have two siblings. My SIBLINGS were WORKING in the ORGANISATION NAME as a JOB ROLE.

## **My Academic Background**

I have done my secondary education in the DISCIPLINE at INSTITUTE in the YEAR. I have made my first career step by successfully completing the DEGREE AND COURSE NAME in the INSTITUTE NAME with the GRADES. To demonstrate my English language proficiency I have appeared for the IELTS examination and secured a BAND SCORE.

## **Professional Background**

As I have gained the basic technical knowledge in my bachelors degree, I decided to figure out the interests in the particular field. Thus I have joined the ORGANISATION NAME as a

JOB ROLE. My roles and responsibilities in the organisation was \_\_\_\_\_. I have worked on the projects such as \_\_\_\_\_ and acquired the technical and soft skills such as \_\_\_\_\_. The achievements I have made in the organisation were \_\_\_\_\_. In this job I have gained the core knowledge such as \_\_\_\_\_.

### **Reason for choosing the COURSE NAME in Canada**

I have got interest in the field by looking into the technical aspects and the evolution of the industry. That made me choose my career path in the field, as a foundation I have learned the base concepts in my bachelors program. To explore my specific area of interest and my capabilities, I have gained practical knowledge related to \_\_\_\_\_ in my workplace. There, I realised that I need to further improve my core knowledge. Thus, I decided to pursue my graduate studies.

The suggestion of the study destination I have got to pursue the masters program in COURSE NAME from my senior personnels is Canada. The education offered by Canadian universities in the FIELD will have the great scope to explore the diverse areas and job opportunities. The technological advancements, popular universities, and increase of international students attracted me to pursue the course.

### **Why UNIVERSITY NAME?**

UNIVERSITY NAME ranked among the top ranking universities in the world. The infrastructure, research and library facilities, study resources, community, career development program and \_\_\_\_\_ made me choose the UNIVERSITY NAME as my place to pursue the COURSE NAME.

### **Financial Details**

The financial expenditure for my studies, accommodation, travel and living expenses will be partly taken care of by my parents and by the education loan which I have acquired by the BANK NAME.

### **Conclusion**

The course I'm going to study in the UNIVERSITY NAME will be a great opportunity to enhance my knowledge and further develop my career. To lead my career in the right path, I request you to grant my visa application to pursue my degree in Canada.

Regards,

NAME
