

IELTS Reading Passage - Online Roommate Finder Toronto Reading Answers

Online Roommate Finder Toronto

- A.** I have one room available in a large apartment located just off Queen and Bathurst in Toronto. The room is fully furnished with a double bed, desk, shelf and wardrobe.
- B.** About us: I'm Sasha! I'm Canadian, and I've been living in this apartment since I was a teenager. I'm 23 and work in a restaurant. These past two years, my best friend has been living here but as she's now moving to Europe there is a room available as of October 1. The third room is occupied by Simon, who is from Australia. He works part-time in a music shop downtown and is a great drummer. We both like keeping the place neat and tidy – I actually enjoy cleaning in my spare time and sometimes we do it together as a roommate team (we make it fun!). I love watching movies, exploring, getting out of the city and into the outdoors, and listening to music.
- C.** The apartment itself is very large and comes equipped with unlimited wi-fi, a fully stocked kitchen, cable television, and Netflix. The bedroom is a long way from the living room, so it shouldn't disturb you if people come around and besides, we are certainly very respectful. Oh! We also have two cats who are well-behaved but they might be a problem if you have allergies. If you have a pet, that's no problem – these cats get along with other animals.
- D.** We love having people coming from other countries as it's really fun having the opportunity to show them around the neighbourhood (it's a great neighbourhood – lots of character and plenty to do). That said, we're certainly interested in living

with Canadians too! We're very easy-going and open-minded and just hope that our new roommate will be the same.

Online Roommate Finder Toronto IELTS Reading Questions

Questions 1-7

Do the following statements agree with the information given in the text?

In boxes 1-7 on your answer sheet, write-

| | |
|-----------|--|
| TRUE | if the statement agrees with the information |
| FALSE | if the statement contradicts the information |
