

Birthdays

1. Do you enjoy birthdays?

Yes, birthdays bring positivity and on those days we receive many wishes and gifts from our family members and friends and all this makes us feel special. I enjoyed birthdays when I was a child, however as I am getting older birthdays aren't as exciting as they used to be earlier.

2. With whom do you like to celebrate your birthday, family, friends or alone?

I would like to celebrate my birthday with my friends and family since spending this day with them provides positivity and a sense of rejuvenation and allows me to make memories.

3. Do you receive lots of gifts on your birthday?

Indeed, everyone receives gifts on special occasions such as birthdays, wedding anniversaries, and Christmas. Every year on my birthday, I throw a huge celebration for my friends and family and receive several presents and well wishes.

4. Do you think it is important for you to celebrate your birthday?

I believe it is vital to celebrate a person's birthday because it demonstrates that you are thinking of them and makes them feel appreciated. Moreover, the event is deemed significant because it is a time when we gather with friends and family to spend valuable time together.

5. What did you do on your birthday when you were young?

My parents and I used to contribute food and clothing to the destitute when I was young. In addition, I would invite my friends to join me in celebrating this event with tremendous excitement and zeal.
