

## Describe an occasion when you wasted your time - Model answer 1

### Introduction

- Time is a precious element and no one likes to waste it.
- There is no exception to this.

### When was it?

- Two weeks ago, I went to a movie with my friend.

### What did you do?

- I always read reviews before watching any movie.
- However, due to a shortage of time, we were in a hurry and forgot to read the critics.

### And explain why you think it's a waste of time.

- When the film began, I had no idea what was going on, and everything in it seemed ridiculous. Every comedic situation was nonsensical.
- The plot of the film was equally terrible.
- It seems like the actors did not give their best effort.
- It was tough to find a seat at the movie theater.
- At the end of the film, I breathed a sigh of relief.

### Conclusion

- So this was the occasion when I frittered my time. I felt this way because instead of this, I could have spent time with my friends or family.

## Describe an occasion when you wasted your time Model answer 2

### Introduction

- Most people are aware of the well known proverb "Time is gold".
- Although no one likes to waste time, many of us still squander it.

### When was it?

- It was during the COVID pandemic days.
- The government has imposed a strict lockdown from the last week of March 2020.
- Therefore, neither one can step out to go to the office nor buy something from a store.

### What did you do?

- As it was an unimagined situation for everyone, none of us knew what to do.
- We are just taking it as a vacation.
- I used to eat, sleep, and play video games all day until the first lockdown got over.

**And explain why you think it's a waste of time.**

- To be honest, I have a lot on my plate.
- Creativity is my pleasure, and I want to use it to refurbish my room; but, because of my busy schedule, I won't be able to make the time for it.
- When I had lots of time, all I did was squander it by doing nothing.

**Conclusion**

- I wish I would have utilized it in a productive way.
