

Describe a place you would like to visit Model answer 1

Introduction

I have always liked exploring new places, particularly those near the coast, sea, or river. Consequently, many destinations from throughout the globe have made it onto my travel bucket list. Times Square in New York is one such location that I would like to see given the perfect occasion and travel companion.

Where it is?

In Midtown Manhattan, New York City, Times Square is a prominent business crossroads, tourist destination, entertainment hub, and neighbourhood. This intersection is created on Broadway, Seventh Avenue, and a street. Times Square, along with neighbouring Duffy Square, is in the shape of a bowtie.

What the main attractions are?

Times Square referred to as The Crossroads of the world is the main attraction in New York. It is one of the busiest pedestrian areas and a major centre of the world's entertainment industry. Moreover, Times Square is the site of the annual New Year's Eve ball drop. It is well-known throughout the world and draws a large number of tourists.

How do you know this place?

It has been featured countless times in literature, films, video games, music videos, and television. I got to know about this place from numerous novels and movies. I felt it was amazing that it had become my dream to visit this place.

Justify your desire to visit this location.

Due to the splendid view and the new year's grand celebration, a huge amount of visitors are attracted to it. Also, the advertisements and the brightly lit billboards gave a mesmerising feel to living there and enjoying the place.

Conclusion

Therefore, the main attraction over there is the reason why everyone likes to visit this place.

Describe a place you would like to visit Model answer 2

Introduction

Everyone enjoys travelling to new locations. It aids them in de-stressing from their daily schedule of life. There are numerous tourist destinations in the world. I think Niagara Falls is the most captivating.

Where it is?

Niagara Falls is located in the Canadian province of Ontario. It is a trio of waterfalls near the southern end of Niagara Gorge, a deep canyon cut by the Niagara River along the Canada-United States border.

What the main attractions are?

The largest of the three waterfalls is the Horseshoe waterfall, which straddles the international boundary between the two countries. It is also known as the Canadian Waterfall and is the most popular tourist destination in Ontario. It attracts numerous tourists from throughout the globe.

How do you know this place?

I learned about this location from multiple sources. First and foremost was a social media post from a prominent tourism channel. Other than that, I learned it through the travel guidebook I used to plan my journey.

Justify your desire to visit this location.

My key motivation for visiting this location is my desire to travel to Canada. And I've heard a lot about this location's mesmerising view, which attracts a large number of people each year. In addition, Niagara Falls consists of three distinct waterfalls: the American Falls, the Bridal Veil Falls, and the Horseshoe Falls. The combination of the three waterfalls produces the highest water flow rate of any waterfall in the world.

Conclusion

As a result, most people like to visit Niagara Falls, which is also one of my favourite sites I wish to see.

Describe a place you would like to visit Model answer 3

Introduction

Everyone loves travelling and visiting new places. Personally, I love travelling and there are a plethora of places in the world to visit. However, I am a beach person so here I would like to talk about a beach.

Where it is?

The beach is on Vaadhoo island in the Maldives. It is located in Southern Asia, situated in the Indian Ocean. It is very famous for movie shoots and vacations. The Vaadhoo island is a part of Raa Atoll in the Maldives.

What the main attractions are?

There are numerous islands which attract a lot of tourists. Thulusdhoo island is the most beautiful place. However, the main attraction is the Sea of Stars which is caused by the interesting phenomenon that occurs during the late summer in the reefs of the Maldives. In addition, it has become a famous tourist attraction amongst the islands. This lovely seashore is covered with microscopic life.

How do you know this place?

I got to know about the beautiful phenomenon known as the sea of stars from videos that are posted on social media web applications such as Instagram and Facebook. Also, there are multiple novels and movies featuring the beauty of the beach.

Justify your desire to visit this location.

I love beaches. To visit such a beach with such a view would be a dream come true moment for anyone. Moreover, the cuisines which are served in the Maldives are so mouth-watering that everyone should try them once in their life.

Conclusion

Thus, due to the splendid view and the delicious cuisine, I want to visit this place.

Describe a place you would like to visit Model answer 4

Introduction

Historical travel always contributes to the expansion of knowledge. This is how one acquires real-world information. As I enjoy travelling, I would like to visit the Hindu Kedarnath Temple, which is dedicated to Lord Shiva.

Where it is?

The temple is located near the Mandakini river in the Garhwal Himalayan range in the Indian region of Uttarakhand. To achieve inner serenity, individuals visit this shrine with tremendous zeal ignoring the harsh weather conditions.

What the main attractions are?

As a holy site, the majority of Kedarnath's tourist attractions have legendary associations, particularly with the Mahabharata epic. Still, pilgrims and visitors who visit the holy city of Kedarnath make a point to stop by these gorgeous locations. From the Kedarnath temple to Gandhi Sarovar, Kalimath, and Gaurikund, there are numerous attractions located.

How do you know this place?

Visiting the temple is the dream of every Indian and this temple is shown in many movies, novels and song albums. I got to know about this temple from my grandmother who used to share the story of the creation of this temple and from the movie named Kedarnath.

Justify your desire to visit this location.

I am a spiritual person, and historical sites and temples inspire me to travel more to rest my mind and expand my knowledge. It is our ambition to see this world-famous jyotirlinga, so I would like to visit this temple with my family.

Conclusion

Consequently, due to the abundance of attractions there, a big number of tourists visit this opulent location.
