Describe a place where you are able to relax - Model answer 1

Introduction

Well, although our lives are full of the hustle and bustle, there are few places wherein we can relax.

Where is it?

Today, I am going to talk about one of my favorite places for relaxation. This place is my farm. It's on the outskirts of my city. The distance between my home and my farm is about 25 to 30 kilometers.

What is it like?

My farm is in a beautiful location. It occupies a surface area of 200 square meters. It is verdant, attractive, and intriguing. There are several mango and coconut trees there. My farm also contains a tiny farmhouse, a well, and domestic animals. As a nature enthusiast, the farm's tranquil, pleasant, and relaxed atmosphere makes it the ideal spot for me to unwind and revitalize.

How often do you go there?

I visit my farm every weekend. Most probably, I will go there with my family and friends.

And how do you feel about this place?

I am pleased on my farm. My farm's swing provides a relaxing experience. We can appreciate the dawn and sunset. The air is soothing and cold. Sleeping beneath the open sky on the farm induces a sense of peace. The sounds of birds singing and water flowing are comforting to the spirit. My farmhouse is also a peaceful spot with vibrant flowers.

Conclusion

This place is the finest spot for mind, body, and soul relaxation, and indeed, I adore it. Whenever I visit my farm, I feel rejuvenated.

Describe a place where you are able to relax park - Model answer 2

Introduction

Everyone has different places to get relaxation such as religious places, parks, recreation centres, or sport centres.

Where is it?

I'd like to tell you about a beautiful park about 5 kilometers from where I live.

What is it like?

It is a mini botanical garden with some relaxation areas. The place is spread out over 15 acres of forest and has a rose garden, a beautiful lake, and a few tower-like observatories, making it a wildlife lover's idea of heaven. It is set up in such a beautiful way and is close enough that you won't get bored even if you stay in this garden for hours. Also, going for short walks on the sidewalk or sitting on benches to read good books or watch people. Also, if you go on the weekend, you can watch the light and sound show in the evening.

How often do you go there?

I used to visit this park every Saturday with my friends.

And how do you feel about this place?

Also, I think the park is the best place for me to relax because it brings people close to nature and helps them forget about their worries and stress.

Conclusion

I can be by myself here and do what makes me happy without worrying about getting too much attention from other people.

Describe a place where you are able to relax - Model answer 3

Introduction

Relaxation is one of the important factors of people's life. There are many relaxing places in the whole world, like the Sikh temple, the library, and so on.

Where is it? What is it like?

I'd like to talk about a place where I get relaxation, which is a park. It's right in the center of my town. I must have gone there in the morning to feel free of all my worries. There are many trees and benches in the park, which makes it a nice place to relax. There are a lot of people who go there and feel calm. One of my friends, Kripa, has also been setting up monthly yoga classes there. I also signed up for that yoga class.

How often do you go there?

I used to go every morning to do yoga practices.

And how do you feel about this place?

Everyone used to relax there and feel fresh by performing some exercises, meditation, and yoga. In the park, I have been playing games, jogging, and listening to music.

Conclusion

I think that people and children should go to the park because it is a very relaxing place.

Describe a place where you are able to relax - Model answer 4

Introduction

At some point or another, life gets to all of us. Everyone wants a quiet, peaceful place to go when they are very tired.

Where is it?

It can be said that home is a magical place wherein it feels good to leave, and it feels even better to come back.

What is it like? and How often do you go there?

Well, in my house I had my room to spend my leisure time. This room has a window from floor to ceiling. From the window, you can see the whole city as well as a small jungle right behind my house. I put a double mattress on the floor and surrounded it with lots of pillows. There is a huge bookshelf here with books from all kinds of categories. There are also headphones, a laptop, my iPad, and a Bluetooth speaker in the room.

And how do you feel about this place?

One of the reasons I think it's a good place to relax is that it will not be crowded. Only I can be there and sit and relax. When it rains, the raindrops fall on the windows and make a sound that is both unique and soothing.

Conclusion

Hence, There's no place like home. Here, we can be with family and be happy.
